

The London Football Academy

Complaints Policy

At The London Football Academy we aim to work in partnership with parents to deliver a high quality childcare service for everyone. If for any reason we fall short of this goal, we would like to be informed in order to review our practices for the future. Our complaints policy can be found on our website. Records of all complaints are kept for at least three years. A summary of complaints is available for parents on request.

The Head Coach is usually responsible for dealing with complaints. Any complaints received about staff members will be recorded on an **Incident log** and a **Complaints log** will be completed. Any complaints made will be dealt with in the following manner:

Stage one

Complaints about aspects of The London Football Academy activity:

- The Head Coach will discuss the matter informally with the parent or carer concerned and aim to reach a satisfactory resolution.

Complaints about an individual staff member:

- If appropriate the parent will be encouraged to discuss the matter with staff concerned.
- If the parent feels that this is not appropriate, the matter will be discussed with the Head Coach, who will then discuss the complaint with the staff member and try to reach a satisfactory resolution.

Stage two

If it is impossible to reach a satisfactory resolution to the complaint through informal discussion, the parent or carer should put their complaint in writing to the Head Coach. The Head Coach will:

- Acknowledge receipt of the letter within 7 days.
- Investigate the matter and notify the complainant of the outcome within 28 days.
- Send a full response in writing, to all relevant parties, including details of any recommended changes to be made to The London Football Academy practices or policies as a result of the complaint.
- Meet relevant parties to discuss The London Football Academy response to the complaint, either together or on an individual basis.

If child protection issues are raised, the Head Coach will refer the situation to the Local Authority Designated Officer (LADO) and follow the procedures of The London Football Academy **Safeguarding Policy**. If a criminal act may have been committed, the Head Coach will contact the police.
